

# SHIMNA INTEGRATED COLLEGE

HAPPY, HAPPY SMILES.  
MILLIONS OF CONGRATULATIONS.  
WE WILL MISS YOU ALL.

## Start the Year...

As always, the year begins with results, and we are very proud indeed of our A level students and their achievements. This was a year group in which a number of students suffered bereavement and loss in the most tragic circumstances. Our students were an ongoing support to each other, and a tremendous source of strength. Exciting futures ahead include: Hannah off to St John's College Cambridge to study modern and mediaeval languages;

Kirsten off to University of Glasgow to study English and French; Stephen to university in Canada to study science; Karolis to the University of Wales at Bangor to study chemistry; Ellie May to Queen's to study law, that's just a few!

The year begins with the opening of our wonderful new Sports Hall. We'll be sharing with: Newcastle Junior Athletics Club; Shimna Stars Special Olympics Basketball Club; Shimma

Meditation group; Shimna Shooters Netball Club - and Newcastle Football club play their league matches on our pitch. Joining us next year will be the Brownies, Guides and Rainbows and Irish dancing classes.

Most important of all, we will be welcoming our new year 8s, and we know they will be inspired by the outgoing year 14s, both in Integration and academic achievement
