

# SHIMNA INTEGRATED COLLEGE

OUR FABULOUS EXHIBITION OF A LEVEL ART WAS ENJOYED BY FRIENDS AND FAMILY.

## It's been a very busy and successful year...

It is very hard to produce a round-up of this year's achievements and activities when so much has been going on. The first of our additional students arrived, admitted under our successful development proposal to grow the number of Integrated places. Then work started on our Sports Hall, ready for September. We have eaten up the first crop of veg from our school garden. Our pitch is getting some TLC and the dugouts are painted up.

In drama, we had our wonderful 'Bugsy' at Christmas time, and moving and challenging pieces from our A level and GCSE drama students. Our choir launched the new RNLI lifeboat.

In sport, our rugby squad has a great season, unbeaten till Christmas. Football, hockey and netball squads all performed well, and our students were particularly well represented in cross country and track and field, with double golds, silver and bronze medals. Sarah

was selected to represent NI in field sports.

Academically, we had students accepted into summer schools in Cambridge and Liverpool, and our student graduating in medicine, engineering, law, languages, accountancy, equine studies etc., and plenty more to come.

A highlight was our Nathan addressing a 20,000 crowd at the Marriage Equality rally in Belfast. Excellent stuff!
