

Useful Websites for Researching your Career

General Websites for Career Information and Projected Job Trends.

www.investigatecareers.com This site allows you to find information about different careers and to research labour market information and predicted job trends up to 2022. **The password is kangaroo.**

www.nidirect.gov.k/careers Register yourself and use the careers A- Z facility to research job information. The careers tool section is very good. Click on 14-19 and you can take a career quiz to find out more about yourself and to give you some job/career suggestions.

www.icould.com Complete the buzz quiz to identify what type of work you may be suited to. Research different careers and listen and watch lots of different case studies (real people talking about their jobs and careers)
